Dear Brazos Valley A&M Club,

Thank-you so much for your generous scholarship! After growing up in Aggieland, I knew there was no other place to go. Your scholarship truly helped to make this possible. I'm learning a lot, making friends and having a great time. Perhaps most importantly, I'm doing awesome in school as I am looking to finish this semester with a 4.0. This all is made possible in large part because my schedule has been freed up by not having to work a full time job. This has been made possible through your generous help. I look forward to joining the Brazos Valley A&M Club in a few years.

Thanks + Gig 'Em!
