Dear Mr. Cowan:

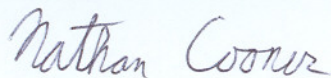

Thank you for your contribution to the Brazos County A&M Club Endowed Scholarship Fund at Texas A&M. I am fortunate to be a recipient of this scholarship, and I'm looking forward to attending the scholarship reception hosted by the Association of Former students this spring.

I am a freshman business major in the Business Honors Program at Mays Business School. I am living on campus in Eppright Hall, and campus life and my classes have all gotten off to a good start. I enjoyed every football game, and I love all of the traditions that Aggie students have kept alive through the years. My dad is an Aggie, and I grew up going to games at Kyle Field, visiting College Station, and looking forward to the day when I could attend Texas A&M. We moved to College Station when I was eleven, and that made the decision to become an Aggie even easier.

I am an active member of the club tennis team at A&M. I played tennis competitively throughout middle school and high school, and tennis is one of my favorite ways to exercise and have fun with my friends. I am also planning to apply for a position as a Fish Camp counselor, as I felt that Fish Camp did a great job of introducing new Aggies to A&M.

I look forward to the opportunities I will continue to have at A&M. Thank you so much for helping me learn and grow as an Aggie.

Sincerely,

Nathan Cooner
