TEXAS A&M UNIVERSITY®

Brazos County, A&M Club,

I wish to extend my sincere gratification for your generous donation to the Association and my continuing education. Your gift has helped to ease the transition to college; and it has helped to have one less thing on my mind while trying to meet the rigorous demands of the Corps of Cadets.

Being the oldest child in my family, I cannot express how your graciousness has helped not only myself but my parents with this life-changing moment of leaving home for the first time and attending a major university.

Upon my graduation from Texas A&M, I can only hope to be as generous as yourselves and return the gift to a future Aggie. I hope that I may someday be generous enough to make the same difference in someone's life that you have made in mine.

Thank you again for your gift, and I will do my best to represent yourselves within the Corps and University properly.

Sincerely,

Ryan J. Minnier
