A WORD FROM BCAMC'S PRESIDENT

Howdy Brazos County A&M Club Members!

The Brazos County A&M Club has just wrapped up the busiest time of the year and I am happy to say that it was a huge success! The month of April had five events for the Club; Bevo Burn, Luncheon, Hullabaloo, Muster, and Fish Fry.

John Lynn '73 once again led the Club's efforts at the Parents' Weekend Bevo Burn on Saturday, April 8th at Simpson Drill Field. The Club took home 3rd place honors for Brisket and 1st place honors in Chili, thanks to the dedicated crew that take on the project every year and make the Club look so good!

General John A. Van Alstyne was kind enough to speak at our April luncheon and gave an outstanding presentation about the Corps of Cadets. Then we had our monthly Hullabaloo happy hour at Ozona on the 19th, Muster at Reed Arena on the 21st, where I was honored to introduce **Dr. Robert Gates**, President of Texas A&M University; **Mr. Van Taylor '71**, President of the Association of Former Students and **Jim Carlson '05**, current Texas A&M Student Body President. And finally, **Pat Kasper '80** just wrapped up another successful Fish Fry on the 29th. There will be a Fish Fry wrap up from him in the next newsletter.

I hope you all received your renewal letter in the mail and have returned it with your 2006 dues. In case you didn't, we have included the renewal form in this newsletter. There's still time to join or renew for the year. I hope that you not only renew your membership, but encourage other Aggies in the area that are not yet members to join the Brazos County A&M Club. There is a "Referred by" section on our membership form and the person with the most referrals will get special recognition in our last newsletter of the year and at the December luncheon.

The next two major events for the Brazos County A&M Club will be our President's Luncheon with **Dr. Gates** on MONDAY, May 8th and Coach's Night on Thursday, July 13th. In the past the President's event has been held in the evening but, we have found over the past two years that by having it during the day more people are able to join us and hear from **Dr. Gates**. Special invitations have also been sent to all previous Presidents of the Brazos County A&M Club that we have record of so hopefully a few will also be able to be recognized at our luncheon. Please note that the monthly luncheon for May will be on Monday instead of Tuesday.

Joe Gattis '94 is busy preparing for Coach's Night 2006. This year's event will be held at the Zone Club for the first time and we are very excited about this. I don't think you could have a better venue, looking over Kyle Field, to start the excitement about the upcoming football season. There's more information regarding Coach's Night inside and the next committee meeting will be Monday, May 8th at 5:30 p.m. at Rudy's BBQ on Harvey Road. Come join the committee, we would love to have you!

Please continue to check out the Club's website at www.bcamlc.org for more dates and information regarding upcoming Club events. In closing, it's been quite a time for the Brazos County A&M Club. Our Officers, Directors, and Committee Chairs have been hard at work serving the Club and I thank them all for their time, effort, and support.

Gig 'Em!

BCAMC Scholarship Recipient Says Thanks

Howdy!

My name is Joseph D'Agostino, I am a Junior Political Science major from Bryan, Texas and a proud member of the Texas A&M University Corps of Cadets, Company F-2.

I serve as the Company Gunnery Sergeant and Recruiting Sergeant. I am also a September 2005 graduate of the U.S. Army Basic Airborne School and plan to receive a commission as an Army officer upon graduation.

Growing up in Aggieland, the thought of going to any other school and not serving in the Corps of Cadets just was not an option. It has truly been one of the toughest, yet most rewarding experiences of my life and I am thankful to have been a part of it.

I am also thankful of great organizations such as the Brazos County A&M Club. Finding the resources to fund higher education can be an extremely difficult process and I greatly appreciate that the BCAMC has vowed to help me with one of their scholarships.

The BCAMC scholarship has lessened the burden on myself and my family and allows me to focus my attention on other pursuits that will help me become a better Aggie.

I would like to thank the BCAMC once again for helping me to pursue my dreams.

Gig'em,

Meet Your BCAMC Officers

Vice President for Finance- Janice Buchanan '85

Janice M. Buchanan '85 serves as Vice President for Finance for the Brazos County A&M Club. She is in her first year as an officer with the club.

Buchanan relocated to the College Station-Bryan area in 1982 to attend Texas A&M. Originally from a small town, the move was big for her because her hometown was so small it did not have a population sign.

Following her graduation, Buchanan discovered that she could avoid the "Big City Life" of places like Houston, Austin or Dallas and found it possible to build both a career and a social life in Aggieland. Given her prior banking industry experience from her college days, Buchanan chose to continue in the financial services industry. Buchanan has found that she can make a real difference in people's lives as a Financial Advisor with AIG/VALIC.

One of the most active person's in the local community, Buchanan is a proud supporter of Aggie Athletics and has been involved with many community events like: Brazos Valley Hospice/Hospice Happening, Special Olympics Spring Games, Boy's and Girl's Club/Coach Fran Charities Annual Event, and Coach Blair/Special Olympics Annual Event. She has also been an Auxillary Member at St. Joseph Regional Health Center for the past 15 years.

Want to advertise your business directly to local Aggies? Contact the BCAMC for advertising rates for the organization's newsletter.

Lacey Glenewinkel '00 is the Vice President for Records. Previously she served as Vice President for Scholarships.

A native of Houston, Glenewinkel works as a sales representative for CC Creations in College Station.

Prior to her current postion, Glenewinkel worked for the Texas A&M Athletic Department as the Assistant to the Football Recruiting Coordinator.

A December 2001 graduate of A&M with a degree in Sports Management, Glenewinkel is very active in the local community as a member of the Junior League of Bryan-College Station and a Corporation Board member of the Kappa Alpha Theta Alumni Association.

The former Lacey Inselmann is married to Chuck Glenewinkel '97, who is an Assistant Media Relations Director for the A&M Athletic Department. She enjoys attending athletic events and traveling. The couple has a beautiful dog named Buddy and is expecting their first child in the fall.

Meet Your BCAMC Officers

Vice President for Scholarships- Katy Lane '02

Howdy! My name is Katy Lane '02 and I am currently serving as Vice President of Scholarships for the Brazos County A&M Club.

On weekdays, you can find me working as an advisor in Texas A&M's Study Abroad Programs Office. I thoroughly enjoy my daily contact with students and encouraging them to take advantage of the opportunities they have to travel abroad to study, intern, or volunteer.

I graduated from Texas A&M with a bachelor's degree in mathematics and business minor. Campus involvements ranged from being a member of the Texas A&M Cross Country and Track team to serving as the Class of 2002 Treasurer. As a student, I was also able to spend two summers abroad, one interning in Panama and the other studying in Spain, which sparked my passion for international travel.

Texas A&M has left many great impressions on me, the best of which is my husband, Keith Lane. We met as undergraduates in our on-campus job at the Aggieland Visitor Center and have been married for one year.

Thank you for your generous support at our BCAMC fundraising events that enable me to do my job of allocating additional scholarship funds to Brazos County students attending Texas A&M University. Your dedication, service, and desire are greatly appreciated and valued as they enable our area students to have an enriching Aggie experience.
